

# MADAGASCAR 3

## ALEX

## 3D PAPER TOY

### GETTING STARTED

1

CUT

2

SCORE

3

GLUE

- Cut out all your pieces first on solid lines using scissors or a craft knife.  
**DON'T FORGET TO CUT THE SLIT ON ALEX'S HIND LEG TO INSERT THE TAIL BEFORE GLUING.**

- Fold all pieces upward or downward along score lines.

MOUNTAIN FOLD

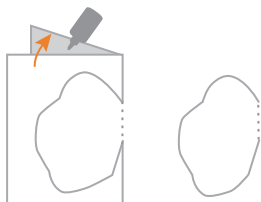

VALLEY FOLD

### INSTRUCTIONS

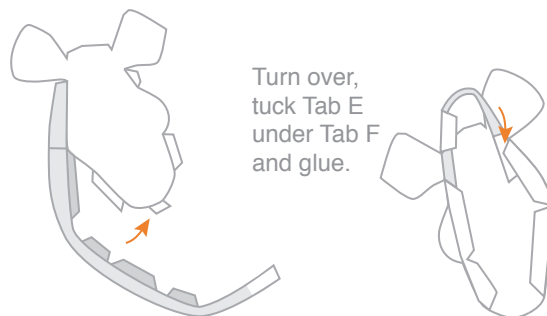

#### HEAD: MANE

- 1 Cut out rectangle, fold and glue together. Let dry. Next, cut out Mane along the grey line. Set aside.

#### HEAD: FACE

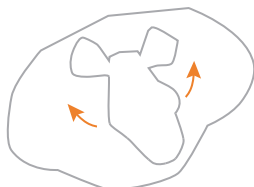

- 2 Glue Face Side to Tab A. Continue wrapping around gluing to Tabs B-D.

Turn over, tuck Tab E under Tab F and glue.

#### HEAD CONT.

- 3 Glue face Tabs F-J to the front of the Mane. Be sure to align it up with the whiskers!

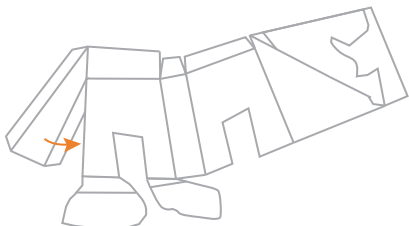

#### TAIL

- 1 Cut out rectangle, fold and glue together. Let dry. Next, cut out Tail along the grey line. Slip Tail into slot on the Hind Leg and glue down.

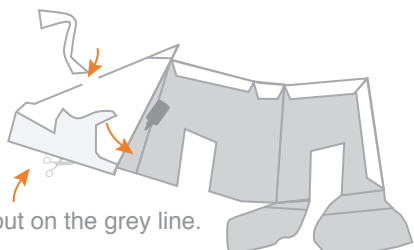

#### BODY

- 1 Glue Tab A to the inside of the left leg.

- 2 Turn over and glue the Hind Leg together. Be sure to insert the tail first!

Cut extra space out on the grey line.

- 3 Tuck Tab B and C under Body Top and glue in place. To close the body, align Tab D to the edge of the hind leg and glue shut.

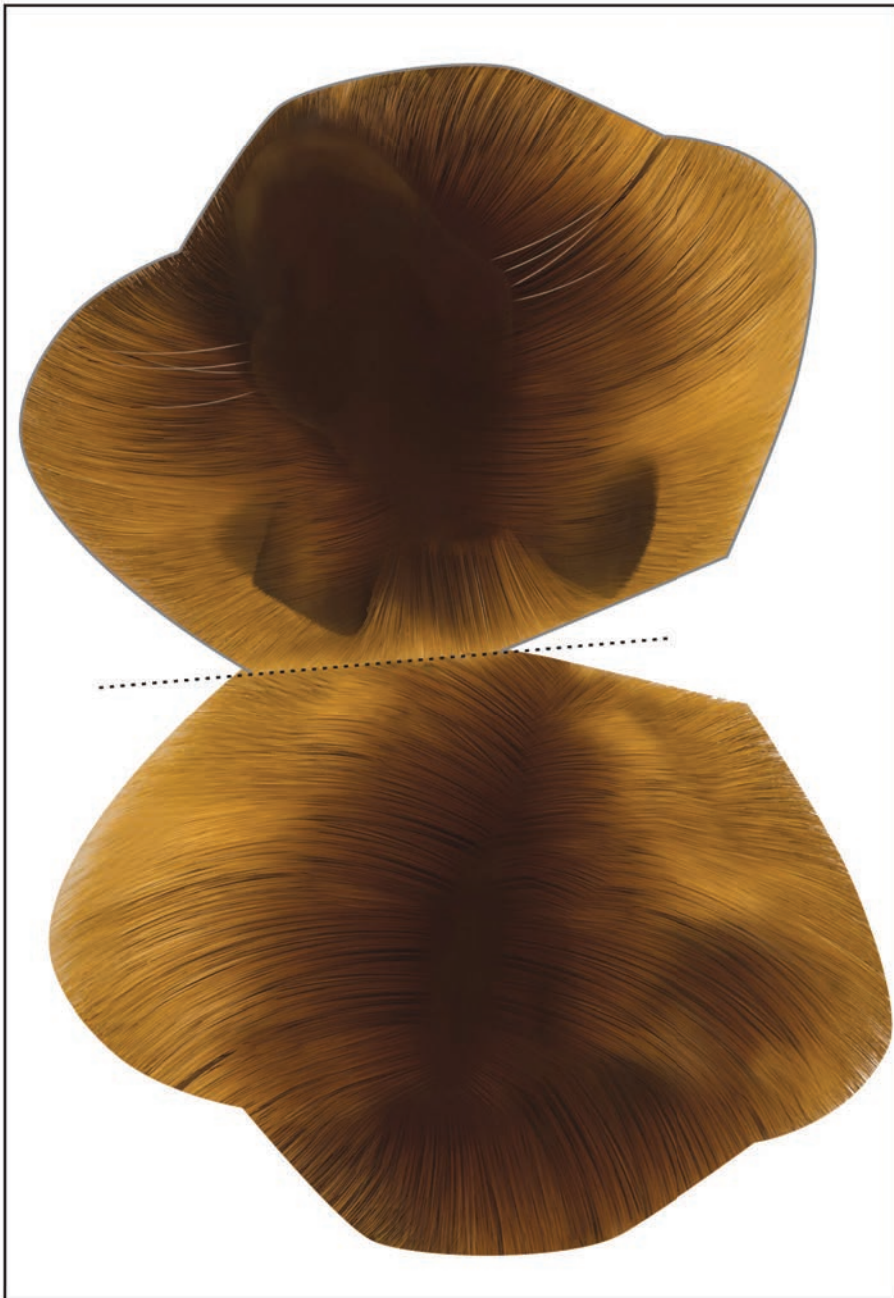

- 4 Glue the back of the head to the front of the body. You're done!

Be sure to make your valley and mountain folds on the feet!
